25X1

1. In addition to the MALBORK which has been completed, there are four more ships of the same class under construction in the Szczecin Shipyard.   
 and fitted with a funnel. She has already been painted
2. Another vessel has a funnel but up to date only her hull has been painted. All the ships already have superstructures and work on all of them is in full swing.
3. There are two other ships on the slipways. One of these already has deck ribbing, while the other has been fitted with keel and hull plates up to half its height.
